Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Sookan's father is with the resistance movement in Manchuria and her older brothers have been sent away to labor camps. Her mother is forced to supervise a sock factory and Sookan herself must wear a uniform and attend a Japanese school. Then the war ends. Out come the colorful Korean silks and bags of white rice. But Communist Russian troops have taken control of North Korea and once again the family is suppressed.
